Title: A Gargish Tomb

Author: Solious Magefire  
-----

These are the words  
Lady Liane was able to  
translate from the  
tome recovered from  
the Gargoyles.

...To be dark here...  
.. Not home...  
... Imprisonment...  
...To long for...  
... Break free...  
Weakening... our  
mages toil

Then she told me  
there are descriptions  
of a spell in the  
tome... one spell is A  
spell of summoning...  
for bringing daemons  
from the Abyss  
temporary... like the  
spell you humans are  
used to. Only when  
the gargoyles cast it  
they bring forth  
Balrons.

She then pointed to a  
page and said I can't  
think of a direct  
translation

Mission? Quest?  
Persuit?  
That was about all she  
was able to decipher.  
She said she would  
return and asked that  
we hold on to the  
gargoyle tome and  
show her on her next  
visit.
